Dr. Purcell:

I received your response to my previous communication. Thanks for your acknowledgement(s).

At this time, I find it urgent that I speak with you regarding the legal pressures that have been placed on me regarding my employment discrimination suit. Prior to your appointment as Superintendent of Schools my preceedings began. Currently my attorney(s) are advising me; nevertheless, it is no more than fair for me to share my position with you. My request for a conference with you is a private arrangement; I am acting at my own will and disression as I ask to meet with you.

As I am come to you, I give complete confidence that I have only one agenda to be honest and fair with you my boss. My sincere efforts are to circumvent the ugliness that you have inherited. I hope that I do not offend you with my assertive demeanor.

This communication comes as a follow-up per a communication to your secretary dated: February 9<sup>th</sup> 2005.

In short, I will respect your wishes.

Respectfully yours,

Melvin Alonza Lowe, III
